

SRA UAE

INDUSTRIAL SUPPLY & LOGISTICS

SUPPLY WITH PURPOSE.

A company profile for disciplined industrial supply and logistics
coordination across the UAE and Africa.

THE COMPANY

A dependable partner behind every requirement.

SRA UAE supports procurement teams with disciplined industrial supply and logistics coordination across the UAE and Africa.

01

MULTI-CATEGORY SUPPLY

A practical supply structure across essential industrial, project and workforce requirements.

02

PROCUREMENT CLARITY

Requirement-led support that brings a mixed order into a manageable plan.

03

LOGISTICS ALIGNMENT

Coordination that keeps the route from source to delivery destination clear.

MARKETS SERVED

United Arab Emirates + Africa

Regional support organized for organizations managing local operations, regional projects and cross-market requirements.

PROCUREMENT COVERAGE

One supply partner. Six operational disciplines.

Each department is structured around practical purchasing requirements, with sourcing and logistics coordination under one accountable point of contact.

01 CHEMICALS

Industrial, maintenance, cleaning and treatment materials.

02 CONSTRUCTION MATERIALS & TOOLS

Site-ready materials, consumables and tools.

03 MACHINERY & LIGHT VEHICLE SPARE PARTS

Components and replacement parts to support uptime.

04 ELECTRICAL ITEMS & TOOLS

Electrical supply and technical tools for maintenance.

05 PERSONAL PROTECTIVE EQUIPMENT

Workwear, protective gear and safety essentials.

06 DRY FOOD

Commodities and packaged essentials for workforce needs.

From controlled chemicals to project materials, technical supplies, PPE and dry food, SRA UAE coordinates broad operational requirements through a focused procurement path.

HOW WE MOVE

Movement with a clear operational purpose.

Supply only works when it reaches the right point, in the right sequence. SRA UAE coordinates sourcing, freight and delivery support across the UAE and African markets.

01

SOURCING COORDINATION

Requirement-led procurement support; multi-category sourcing coordination; supplier and availability alignment.

02

FREIGHT COORDINATION

Shipment consolidation support; route and handover coordination; documentation readiness support.

03

DELIVERY ALIGNMENT

Destination-led planning; site and delivery coordination; ongoing supply continuity support.

ONE COORDINATED ROUTE

SOURCE → CONSOLIDATE → DELIVER

SRA UAE brings procurement and logistics into one working plan, keeping the path clear from initial requirement through to the delivery destination.

PROCUREMENT DESK

BRING YOUR NEXT REQUIREMENT INTO FOCUS.

Share your supply category, project scope and intended delivery destination. SRA UAE will help organize the most direct supply and logistics path.

01

DEFINE

Requirement, scope and destination.

02

CONNECT

Supply categories and logistics considerations.

03

MOVE

A purposeful next step from source to delivery.
